## Best Things In Charleston, West Virginia

For those who want to get that much-deserved vacation and feel the relaxing touch of nature, check the cool spots in Charleston – the biggest and main city of West Virginia or mostly known as “Mountain State”.

You might not just be spending vacation but might possibly end up moving and living in this historic city in the heart of Appalachian Highlands.

### 1. Fair Weather

Charleston is the home of an estimated 50,000 residents with a diverse type of weather because of the differences in elevation of some places. Summer season is the best time of the year though it can be really warm and humid as high as 95 degrees during day time. But the average temperature in Charleston is usually warmer as compared to the other places in West Virginia.

### 2. Great Accommodation

Most hotels in Charleston offer affordable room rates with superb amenities such as Free Wireless Internet connection, complimentary breakfast and free parking. There’s also Indoor Pool, Jacuzzi, Fitness Center, Slot Machines Room and Lounge, offering a maximum unwinding place for guests and tourists.

Enjoy a morning breakfast while reading the city’s major newspaper: The “Charleston Gazette” and “Charleston daily Mail”.

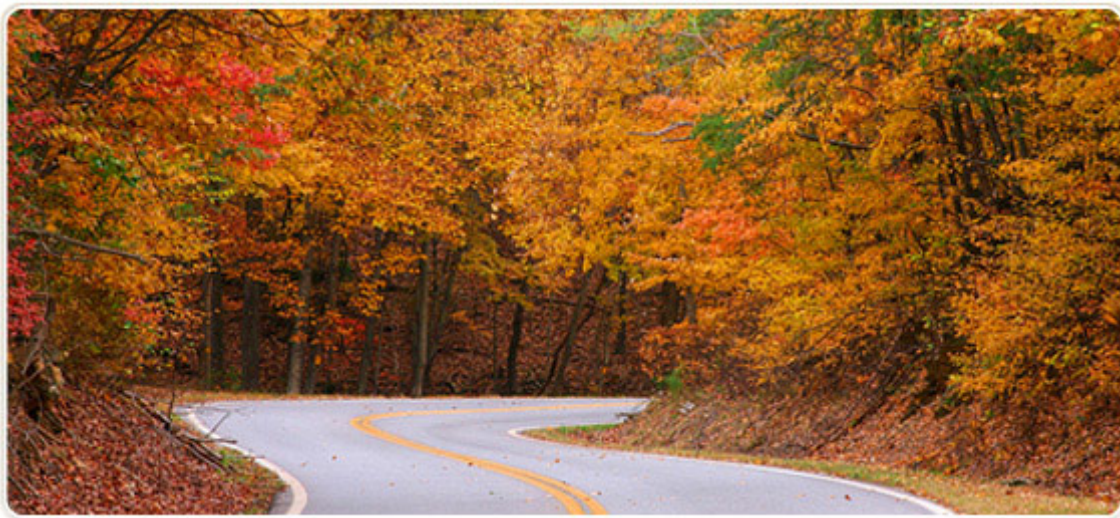

Bringing along your favorite pet is not a hassle since there are a lot of pet friendly hotels in **Charleston West Virginia** and offer affordable pet fee rates. Some don’t actually have pet restrictions and no pet fee at all!

### 3. A Weekend Getaway

Charleston is a perfect weekend getaway. Apart from affordable weekly rates at the hotel or inns, this city offers various weekend events all throughout the year.

- a) The West Virginia Dance Festival - held for the entire month of April, features students from across the state who took up dance lessons in modern dance, ballet and jazz. The culminating activity takes place at the West Virginia State Theater for free public viewing.

- b) The “Symphony Sunday” (dates back in 1982) - held annually during the 1<sup>st</sup> week of June. It’s all about music, family gathering and a finale performance (with fireworks display) of the famous West Virginia Symphony Orchestra
- c) The Virginia Film Festival – held twice a year (late April and in September). It is the local Oscar Award for the entire state of West Virginia.
- d) Daily Mail Kanawha County Majorette and Band Festival – The longest running musical festival in the state since 1947. It is held in downtown Charleston and has become the annual tradition in the city.

#### 4. Falling In Love at Charleston

There are so many outdoor parks and recreational activities to enjoy at Charleston such as Cato Park which is the largest municipal park, with golf course and huge picnic areas.

There’s Daniels Boon Park for a relaxing fishing trip and boat ramp.

It’s not just the great outdoor events but Charleston is also a home of fascinating number of historic and older buildings with distinct architectural styles.

#### 5. Conducting Flawless Business Events

Charleston is not just a vacation getaway but also a perfect place for any business functions. Some hotels offer a place to stay for conventions and affordable corporate

housing for the rest of the team – all with complete and state-of-the-art function rooms and catering services.

## **Charleston, West Virginia: Where Good Things Happen**

Who would have ever thought that one place could give them the best in life?

Comfort would be the first priority for someone who has been travelling or even for a first-time traveler. Who wouldn't want a nicely-done bed, fully-furnished room, breakfast in bed, greetings from polite people and amenities that could make you forget that you are away from your home? If you are in search of all these, the place for you would be in the heart of the state is West Virginia—Charleston.

Vacationers are greeted by landscapes that are picture-perfect. They are awaited by corporate housings in Charleston West Virginia that wants nothing but to let them feel luxury without the towering rates. This is because accommodations in Charleston West Virginia do not cost you so much. This might make you think that low prices means substandard facilities and services, think again!

Inspire of affordable weekly rates in Charleston WV, services and facilities are of high quality that measures up to your expectations. The service of a staff respectful and well-informed is something that sets them apart. These people make sure that you have a blissful stay in Charleston by answering any queries that you might have. Facilities are also something that gives this city an edge. It provides facilities for wellness and even facilities for relief. Restaurants can give you delight as you consume good food and bars can be a place where you can just chat after a day full of activities.

Facilities are advantageous because it gives Charleston an edge that even businessmen and companies take notice of. Facilities include state-of-the-art audio-visual equipments for presentations and venues that could be flexible depending on what you need. Places to stay for conventions in Charleston West Virginia can offer reasonable arrangements depending on your company's budget not to mention a different ambience that it could present.

But, if you're just trying to find a good bargain, weekends in Charleston West Virginia could give you what you're asking for. Weekends spent here could make you forget of the rollercoaster ride you have just been through at work or at home. You can even have your pet with you since there are pet friendly **hotels in Charleston West Virginia**. A walk in the park would be a very nice bonding time for you and your pet.

## **Charleston WV: From Wedding Day To Retirement**

Affordable weddings in Charleston WV are offered to those couples who want their weddings to be special.

There are a lot of things to look at when you want your wedding to be perfect on that special day. That involves the guest list, the caterers, the flowers, etc.

Some couples want their wedding to be grand. Why not when it's one of the most important days of their lives? Some want their wedding to be simple but elegant. There's nothing wrong with that either because the wedding is indeed a solemn and a personal affair. However you want your wedding to be, the place and all other arrangements must fit perfectly into the budget. Looking at the different places to hold your wedding could be the most tiresome part of the planning. Each time you visit a place, you think it's the perfect one; until you can no longer decide. The worst that can happen which is very common is when you've already found the perfect venue, but you can't afford it.

If you are looking for a place to hold whether you plan to have a simple or a big wedding, you shouldn't be looking in so far away places anymore. Perhaps you aren't aware yet, but many people have already fallen in love with West Virginia. There are several major cities you can choose from, but they all have that modern yet country feel. The state in itself holds natural beauties that can take your breath away.
